## Volunteer Information Form

NAME \_\_\_\_\_

EMAIL (if different from previous page) \_\_\_\_\_

Heart of the Valley Children's Choir depends on the many people who contribute hundreds of hours to the operation of our organization. Without our volunteers, activities from social events, concerts, fund raising, retreats and tours, could not successfully happen. In order for a child to participate in a choir, parents are expected to volunteer in some way. Following are the opportunities for volunteering. Please check one and we will contact you via email (please note if phone is preferred method of contacting you).
